As a member of the Asia Pacific Internet community, I believe that a sponsored 'ASIA' TLD will be a valuable addition to the name space. The Asia Pacific community is a vibrant and growing one, and a new domain that represents our shared hopes and common interests will help build both the Internet and our community.

I support the DotAsia Organisation as sponsor of the 'ASIA' TLD. I believe that the governance structure of the DotAsia Organisation ensures broad representation from the community it intends to serve.

Respectfully,

Xing Li
