Re: Letter of Intent to Join DotAsia Organisation & Support for DotAsia Organisation ICANN TLD Bid

Dear DotAsia Bidding Committee,

We are writing to express our intent to join the DotAsia Organisation as a ccTLD and to become a voting member in the DotAsia Organisation.

We understand that the Organisation has submitted a bid to ICANN to establish an Asia/Pacific based Top-Level Domain (TLD) and undertake to fully support the Organisation in this bid.

We also understand that if the Organisation won this bid, the Organisation wishes to:

- Operate a viable not-for-profit initiative to be a technically advanced, world-class TLD registry for the Asia/Pacific community;
- Establish an Internet namespace with global recognition and regional significance for the betterment of the Asia/Pacific Internet experience; and,
- Reinvest surplus proceeds into socio-technological advancement initiatives relevant to the Asia/Pacific Internet community.

We believe that the Asia Initiative, as proposed by the DotAsia Organisation, is an appropriate and viable structure that is representative of the Asia/Pacific community and will serve for the betterment of the Internet experience for the Asia/Pacific community.

We therefore undertake to fully support and actively contribute to the Organisation so as to facilitate the Organisation's achievement of the aforementioned objectives.

Yours faithfully,

Alka Irani
