Re: Letter of Support for DotAsia Organisation ICANN TLD Bid

Dear ICANN Board Members,

We understand that the Dot Asia Organisation wishes to submit a bid to ICANN to establish an Asia Pacific based Top-Level Domain (TLD) and undertake to fully support the Organisation in this bid. We believe that the .Asia initiative, as proposed by the DotAsia Organisation, is an appropriate and viable structure that is representative of the Asia Pacific community and will serve for the betterment of the Internet experience for the Asia Pacific community.

We therefore ask you to look favourable upon the DotAsia Organisation proposal to launch and operate the .Asia TLD in Asia Pacific.

Yours faithfully,
