INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF

NAMESPHERE HOLDINGS LIMITED
(Incorporated in Hong Kong with limited liability)

I have audited the financial statements of NAMESPHERE HOLDINGS LIMITED set out on pages 5 to 9, which comprise the balance sheet as at 30th September 2012 and the income statement for the period ended, and a summary of significant accounting policies and other explanatory notes.

Director's responsibility for the financial statements
The directors are responsible for the preparation and presentation of these financial statements in accordance with the Small and Medium-sized Entity Financial Reporting Standard (SME-FRS) issued by the Hong Kong Institute of Certified Public Accountants, and for such internal control as the directors determines is necessary to enable the preparation and presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

In addition, section 141D of the Companies Ordinance requires that the balance sheet together with the notes thereon should be prepared in accordance with the requirements of the Eleventh Schedule to that Ordinance.

Auditors' responsibility
My responsibility is to express an opinion on these financial statements based on my audit and to report my opinion solely to you, as a body, in accordance with section 141D of the Company Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

I conducted my audit in accordance with Hong Kong Standards on Auditing and with reference to PN900 (Clarified) “Audit of Financial Statements Prepared in Accordance with the Small and Medium-sized Entity Financial Reporting Standard” issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity’s preparation and presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.
