   2.2. Concern was raised on Board Member raising objections to Board decisions made at previous Board Meetings and not joining Board meetings.
      2.2.1. It was commented that Board Meetings were held with proper quorum and the Board has gone through proper decision making procedures with discussion and resolution, therefore, the Board decisions should be considered effective.
      2.2.2. It was mentioned that minority statements in the minutes can be recorded in the future Board meeting minutes.
      2.2.3. It was discussed and agreed that upon the Board having reviewed and adopted a specific version of the meeting minutes, it is not necessary to revise the approved minutes.
2.3. It was clarified that even in Dr. Tham’s absence, his suggestions and concerns were attended to in multiple discussions at different Board and Board Committee meetings, and that they have been addressed and incorporated into the Board governance and policy documents (e.g. RFQ in BFC, policy development in BGC).

3. Updates of SOI (Statement of Interest)

3.1. No further updates since last Board Meeting.

4. Approval of Board Meeting Minutes (Jul 30, 2020)

4.1. Latest version of Draft 1 was presented and action items were briefed to the Board.

4.2. The Jul 30, 2020 Board Meeting minutes were approved unanimously. (2020.08.001)

5. Correspondences Update

5.1. Summary of correspondences, in particular related correspondence from legal counsel, was prepared, summarized and sent to the Board for reference.

5.2. .SPA Correspondence: New correspondence received from So Lung on Aug 25, 2020 regarding setup of NSPH Ltd. and DotSpa Ltd. Questions were raised and DotAsia is awaiting legal advice for providing further response.

6. Legal & Namesphere Updates

6.1. Legal updates were presented and briefed to the Board.

6.2. Cayman Island case

6.2.1. It was reported that the Cayman entity for .BOX was setup with a casting vote in favor of our partner without DotAsia’s knowledge. And utilizing that casting vote, our partner has tried to dilute our shareholding and now have passed a resolution to sell .BOX to themselves at a largely undervalued price.

6.2.2. Based on the received legal advice, a winding up petition has been filed on Aug 26, 2020 seeking relief and to protect DotAsia’s interest (via Namesphere).

6.3. Ontario Lawsuit: Progress on the discovery phase of the case was explained and questions regarding the challenges were raised and explained.

6.4. The Note of Advice on Allotment of shares was presented and briefed to the Board. It was explained that legal advice received suggests to proceed with the allotment of shares as soon as possible.

6.4.1. The legal advice explained the rationale for the specific allotment of shares.

6.4.2. The legal advice also explained why Dr. Tham’s suggestion of transfer of the shares is not appropriate.
6.4.3. It was suggested and agreed to acknowledge the receipt of the legal advice and to urge Dr. Tham to proceed with completing the process. (2020.08.002)

7. DotAsia Foundation General Members Meeting

7.1. A meeting of the members of DotAsia Foundation (DotAsia Organisation being the sole member of DotAsia Foundation) was duly convened.

7.2. Appointment of Board of Directors

7.2.1. As discussed in previous DotAsia Board and Board Committee Meetings, it was proposed to add back all listed Board Members of DotAsia as Board of Directors for DotAsia Foundation in order to synchronize two organizations. It was explained that originally, all DotAsia Board members were also listed as DotAsia Foundation Board members, but this was adjusted in 2015 in consideration of banking processes. However, the condition no longer applies and therefore the reversal is now proposed.

7.2.2. It was explained that Alireza is not listed as a director at the Company Registry, and was proposed that the same practice be maintained for DotAsia Foundation.

7.2.3. Question was raised on whether this should be considered a one-time change for current Board Members only or an on-going change as the DotAsia Board composition changes in the future. It was suggested that the resolution be on-going and that the Board Members of DotAsia Foundation be synchronized with DotAsia Organisation.

7.2.4. Question was raised on whether the DotAsia Organisation Board has the authority to make such changes to the DotAsia Foundation Board. It was explained that while DotAsia Organisation and DotAsia Foundation are legally separate entities, DotAsia Organisation is the sole member of DotAsia Foundation, and this portion of the meeting, being called as a DotAsia Foundation Members’ meeting, provides the DotAsia Organisation Board the authority to act on behalf of DotAsia as the sole member of DotAsia Foundation to appoint the DotAsia Foundation Board.

7.3. It was agreed that this resolution be recorded in the DotAsia Board meeting minutes. (2020.08.003)

8. Approval of Audit Reports

8.1. Updated draft of the set of audit reports for DotAsia Organisation, DotAsia Foundation, Namesphere and related companies as well as DotKids Foundation (now called DotKids Applicant) were presented and revised sections, containing minor adjustments, were highlighted to the Board.

8.2. It was highlighted that the list of Directors for DotAsia Foundation has been updated in anticipation of the action taken in Item 7 above.

8.3. It was reported that a typo mentioned by Dr. Tham has been corrected in the draft audit reports as mentioned in 8.1 above. It was also explained that the disclosure of lawsuits has been included in the consolidated audit report for DotAsia, which includes Namesphere as a subsidiary within the group, and that the particular travel expenses raised do not pertain the financial year for which the presented set
of audit reports are for. Further responses to Dr. Tham will be prepared with input from legal advice and auditors.

8.4. The set of audit reports were approved and the resolution to be included in the Board minutes. (2020.08.004)
