DotAsia Community Project Social Impact Assessment (SIA) Report

Project: NetMission.Asia

Project Goals (What is the long term change you see as DotAsia’s Goal/Outcome for the Project/Program?):

To become one of the largest youth network in the Internet Governance community regionally and globally.

Enhance Asian Identity among aspiring youth in Asia and by developing initiatives/projects together with the NetMission Ambassadors using the .Asia domain.

Theory of Change (TeC-SMART Model):

What is the problem to solve?

NetMission Ambassadors were encouraged to start initiatives and projects using the .Asia domain. Furthermore, training materials are to be produced featuring the .Asia domain, and interaction between youth advocates and DotAsia.

What is DotAsia’s vision, mission, and how are the outputs achieved?

Is DotAsia the right organization to do this?

NetMission Ambassadors will be encouraged to start initiatives and projects using the .Asia domain. Furthermore, training materials are to be produced featuring the .Asia domain, and interaction between youth advocates and DotAsia.

Possible Key Community Needs/Issues this Project/Program solve?

Projects created utilizing the .Asia domain, training materials developed featuring the .Asia domain, and interaction between participants with .Asia domains.

Is DotAsia the right organization to do this?

NetMission Ambassadors were encouraged to start initiatives and projects using the .Asia domain. Furthermore, training materials are to be produced featuring the .Asia domain, and interaction between youth advocates and DotAsia.

The installation and enhancement of an Asian identity should be realistic, although it could be challenging to measure direct significant impact to the domain business in the short-term.

NetMission will exemplify the mission of reinvigorating surpluses in socio-technological advancement initiatives by training a new generation of contributors to the Asia Internet and .Asia community, and to establish .Asia as a sustainable brand.

Output: #1 NetMission – Online training webinars

Target Audience

Audience:

- Junior students
- Social activists
- Youth
- IG community

Channels to reach out:

- Social media
- Fellows network (incl. Fellows Asia, Youth4IG)
- Online opportunities sites (e.g. Youth4IG.org, Opportunity desk, etc.)

How can we measure the effectiveness of the output?

Networking & Positioning

- Enhances the .Asia Domain
- Encourages youth to be the next generation in Asia
- Ability to connect youth in Asia for IG to create impact and action

Internal Effectiveness/Development of DotAsia Team:

- NetMission: a recognized network for youth on Internet Governance. It helps gather a group of youth that is passionate about similar regional issues. With the training sessions, it empowers and enables their abilities to further impact people around them and bring changes to their community. Through the webinars, they are open to more opportunity to learn about the issues in their region, which helps them to build a stronger team to belong to the region and strengthen their Asian Identity.
